NORA SPRINGS, IOWA

Price List

U. S. DEPARTMENT OF AGRICULTURE.

WASHINGTON, D. C.

Bureau of Plant Industry, Horticultural and Pomological Investigations.
HAVING decided not to issue a catalogue this year, we are sending this list of Bargains in dependable Fruits, Trees, Shrubs, and Bulbs, thus giving you the benefit of greatly reduced prices.

In making our list we are only listing the kinds that we have found by our experience to do well in this vicinity. Therefore it will be easier for you to make your selections and feel sure of obtaining varieties that do well here.

We are on the Farmers Mutual telephone line, and all telephone orders will receive our prompt attention.

In comparing prices, remember ours are quoted DELIVERED, either postpaid, or shipped, or to your door by auto truck. We deliver to neighboring towns and surrounding country with auto truck the same day plants are dug.

Our Guarantee—If any order is unsatisfactory, we will gladly make it right and replace any trees, shrubs, or plants, that do not grow the first season we will replace one-half price. We ensure you that all our bulbs and plants shall be true to name, and hold ourselves ready, upon proper proof, to refund money or replace anything that prove untrue. It is mutually agreed that we shall not be liable for a sum greater than the amount paid for the stock.

THE HAIGHT PRINTERY, NORA SPRINGS, IOWA
PEONIES

Of late years the peony is taking its rightful place as queen of all flowers, not even excepting the rose. Its great size, variety of form and color, its fragrance, and its freedom from insect pests, and, above all, its ease of culture, make it pre-eminently the favorite of those who grow flowers for pleasure and cannot devote much time to their care. Peonies may be planted any time after the middle of August until the ground freezes, and in the spring until growth has advanced too far.

We can furnish good, strong roots of either color, red, fink or white. They will be all good kinds and large double flowers. Price 75c each.

**Single Peonies**

**Mikado**—Dark, fiery crimson, narrow filamental petals, crimson-edged and tipped gold in center, tall, erect, strong grower; late mid-season. This is a prince among the single peonies. Price $1.50.

**Stanley**—Very dark, brilliant crimson, tall, very erect and a free bloomer stems vivid red, early mid-season. This is really the most valuable peony in its class, because of its brilliant coloring, for landscape effects. Price 75c.

**White Japan**—Very large, pure white petals; tall, strong grower and an extra free bloomer, with blooms in clusters of from three to five blooms, all open at the same time, spreading habit, mid-season; it has the exact fragrance and appearance of a large water lily. Price $1.00.

**Festiva Maxima**
